Re: Patent #6,764,252

On July 20, 2004 our patent was issued and mailed. I am filing a petition, as we have never received the original patent. It looks like it got lost in the mail, as a copy has never been returned to the USPTO Office.

Attached please find a credit card payment form to cover the \$130.00 fee to obtain a new copy of the patent.

Could you please send the patent to our office at the above address by UPS? Our UPS account number is: R54A26.

Please do not hesitate to contact myself, or Nancy Healey if you require any further information.

Yours truly,

Murray Banting, R.E.T.  
President.
